Big Cookie Competition

The **Big Cookie Competition** is an informal contest held as part of the March, June, September, and December monthly MMPC meetings. All entries must follow the announced theme and the competition rules.

Rules:

1. The photographer must be present at the meeting.
2. Only one print per person may be entered.
3. Entries must be submitted as prints no smaller than 4x6, and no larger than 8x12.
4. Prints must be un-matted and un-framed.
5. Prints must consist of a single image. Collages or other forms of multiple images will not be accepted.

Judging:

Judge's Choice Award: A panel of judges will be designated for each competition, who have not submitted a photo. The judges will consider adherence to the theme, composition, and good photographic technique in their selection of a winning image. Once a winner has been chosen, the panel of judges will provide optional constructive feedback on the photos submitted for the competition. **If you do not want the feedback, please make a note to that effect on the back of the print.** The winning photographer will be asked to describe the picture and how it was taken.

People's Choice Award: Ballots will also be provided for each of the MMPC members in attendance so that they may make their selection for the People's Choice award winner. Members may cast a ballot regardless of whether or not they entered a photograph in the competition.

Prizes:

A gift card will be awarded for the Judge's and the People's Choice awards.
